## MONTHLY BULLETIN FOR JANUARY 2012

### GRAND KNIGHT'S REPORT

Happy New Year! As we say goodbye to 2011 and hello to 2012, I still cannot believe how fast 2011 passed by my eyes. I want to thank each of you for the memorable past year and look forward to making this year a huge success for this council. I need your help. We have several events coming up and your help is crucial to their success.

First we have the Council's Free Throw competition on January 14. Each year this event seems to get bigger with more kids participating. There were about 10 - 12 names on the sign-up sheet that went around in December and we could use a few more guys to help. At the end of January we have Trivia Night. When this was run through PAC, all of the prizes were purchased and profits were minimized. Now that the Council is running the event, I am asking that if you have the ability to get door prizes in the \$5 to \$10 price range or have access to eam prizes, usually restaurant gift certificates in \$20, \$30 and \$40 increments to help us out by donating

these items. There will also be sign-up sheets going around tonight for specific functions leading up to and including Trivia Night like scoring, drinks, registration, mulligans, etc.

Then, into February we have the SFACS Grandparents Night/Open House on February 2. We will need help primarily getting the food over to the school, serving, and cleaning up. This event usually brings us a good amount of funds to help us with our charitable works and is good PR with the school. The following Saturday we host the District Free Throw Competition, and on Super Bowl Sunday, we will have our Council party at the PLC in Room 108.

Please prayerfully consider volunteering for the upcoming Council events. Please send me an email with your phone number. Your participation is always appreciated.

## GOOD OF THE ORDER

Since it has been some time since we have had a winner in the good of the order drawing and with the prize getting up to \$970.00, the drawing procedure was slightly altered. There will continue to be a drawing for the entire pot. If that person is not present or is disqualified for having the appropriate items, additional names will be drawn for a \$100.00 prize until someone wins.

The first name drawn was Thomas J. Jackson. Since he wasn't present, 10 or 12 additional names were drawn until Steven E. Thomas was awarded the \$100.00 prize.
